

Hi! I Am Mrs. Molnar!!!!

Hello! I am so excited to begin my eighth year at Chocowinity Primary School, and to be your precious child's teacher. This year will be a wonderful and engaging year that will help to better prepare our amazing Pre-K students for kindergarten. I set high expectations for each student while allowing them to see that I want them to succeed to their fullest potential. I also will do everything in my power to ensure that they know that I am here to assist them in any way possible to get there.

Please allow me to tell you about my background. I have taught in a Pre-K classroom here in Beaufort County for 23 years while receiving my bachelor's degree in early childhood education from the University of Mount Olive. I graduated with my degree and B-K licensure in December of 2016. I joined the amazing tribe here at CPS in August of 2018 as a kindergarten teacher, and now have the pleasure of being Pre-K chair!

Now I will tell you about myself. I was born and raised right here in Beaufort County, and now reside in Jamesville. I am married to an amazing man named Tommy, who is from the Bronx, NY. We have a sweet and very spoiled female Labrador Retriever mix named Nalla Lynn, who will be nine on July 23rd. In our spare time, we enjoy going to Nags Head, and spending time with our wonderful family. I love all genres of music, and I am sure you will see us sing and dance many times.

I look forward to working with each of you to prepare our students for kindergarten this year! It truly takes a village to raise a child, and I fully believe that each child can reach their full potential when everyone involved with them works cooperatively and consistently together. I am always here for your child.
